# NNB Services Private Limited

<https://www.indiamart.com/nnbinvestigation/>

We are an ISO 9001:2008 certified, professional intelligence organization providing services in the field of corporate, personal, cyber investigation and translation services.

## About Us

Founded in January 2005 as a Company and in the year 2006, as a Pvt. Ltd. Company, at Delhi, India, we “**NNB Investigation Private Limited,**” are a Professional Intelligence Organization offering services in the field of **Private Investigation and Consulting Services**. These services meet the specific demands of **Legal, Financial and Business communities**. The services offered by us include **Recovery of Impaired Assets, Securitization under Act Sarfaesi, Security Services for Insurance Agencies, Investigation for Corporate Sector, Investigation for Foreign Embassy and Document Translation Services**. Further, we also offer assistance for **Visa Processing Services, Personal Investigation Services and undertaking cases of Intellectual Property Rights**. Our business operations are led by **Mr. Bijan B. Biswal**. Today, we have six operational offices in India as well as three offices abroad. Further, we also have a **well established Network Associates across India and Globe**. With the service support of 60 investigators & 15 Back office Staff, we are presently operating from our head office only so that single window contact can be maintained with the costumers. Our successful service approach can also be seen from the fact that **today we are serving more than 50 corporate houses, all insurance companies as well as around 30 to 40 legal houses**.
