We have emerged as a leading manufacturer, supplier and exporter of a wide gamut of Textiles and Tarpaulins. Our range is widely appreciated for its features like durability, resistant to climatic conditions and perfect finishing.

About Us

Established in the year, 1903, we, 'Novell polyecoaters', are counted as one of the prominent manufacturers, suppliers and exporters of Textiles and Tarpaulins. These products find application in commercial, automobile, sports, defense and shipping industries. We use finest raw material and advance methodologies for fabricating our complete range. Our range is highly appreciated for its features like tear-resistance, durability, reliability and longer functional life. Furthermore, we deliver our products to some of the reputed OEM manufacturers across the globe. Our professionals ensure that the products are manufactured under the strict guidelines of international norms & standards. The quality experts of our organization test the products on various parameters before final delivery to the clients, so as to ensure that our range is free from any defect. The meticulous efforts of our professionals have helped us in spreading our business to the various parts of Indian Subcontinent. Owing to our client-centric approach and quality product line, we have been certified with an ISO 9001 certification. Under the proficient guidance of our mentor, 'Mr. Nikhil Chheda'B, we have continuously climbed a ladder of success since our incorporation. He has been instrumental in guiding us in every sphere of our business activities, which has helped us in garnering a huge clientele in Indian Subcontinent.
