About Us

Established in the year **1996**, we, “**Novelty Seating Systems**” have flourished as one of the most prominent manufacturers, wholesalers and exporters of **Modular Furniture**. Our vast experience in the domain has enabled us to grow our clientele all across the **Indian Subcontinent**. Our range of products is highly appreciated for its quality and is widely used in many corporate offices as well as residences. Being a quality centric organization, we understand that the only way to run a successful business enterprise is by providing our esteemed clients with a range of superior quality products. We have employed a team of quality controllers that holds great in-sight of the industry and ensures that each product is manufactured under the basic parameters of international quality standards. Our team of procurement agents sources raw material from the trusted and renowned vendors of the industry. We follow customer friendly approaches to cater to all the requirements of our clients. Our people establish a direct and open communication with our clients, so as to comprehend all their needs. Our customers are provided with a range of products in different size, dimension, colors and patterns varying as per their requirements. Its under the ownership of our mentor “**Mr. Jaffer Shaikh**” that we have witnessed great success in the industry. His experience of transparent business practices followed by his...
