Novitas Plast Private Limited is a custom preform molding company located in Indore, Madhya Pradesh. We specialize in production of superior quality preforms for industries such as food and beverage, automotive chemicals and cosmetics.

About Us

Novitas Plast Pvt. Ltd. is a custom preform molding company located in Indore, Madhya Pradesh. We specialize in production of superior quality preforms for industries such as food and beverage, oil, pharmaceutical, automotive chemicals and cosmetics. Novitas Plast is a flexible company that can respond to your needs in a fast and cost effective manner. Large run or small, we look forward to working with you on your next preform project.

We are capable of producing containers in sizes from 200 ml up to 8 litres from our flexible manufacturing sites. In addition we also have a leading PET consulting business that advises on PET packaging from initial design through to materials processing and handling. From Concept-to-Production: Novitas Plast Pvt. Ltd is a single source company that ensures quality beginning with design concept and prototyping all the way through to the actual preform production for your container. These products are acknowledged for their features such as high clarity, better strength and longer service life. Furthermore, our enterprise has a trade membership with All India Plastic Manufacturer Association (AIPMA).

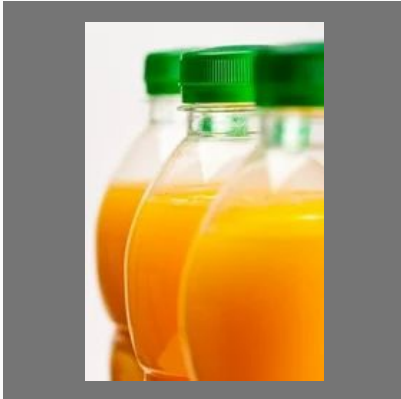

Our company aims at making a place for itself in the sector by supporting our investments in high technology, by maintaining a well-equipped staff. Novitas Plast ensures flexible production and logistic service alongwith good customer care.
