About Us

We are one of the largest producers of Phenolic Resins and the largest producer of Resin Coated Sand for foundries in India.

We have manufacturing facilities at Chennai and Coimbatore in the Southern state of Tamil Nadu

The automobile component industry is one of the largest end-users of our products. We are tightly integrated into the supply chain of the Indian automobile component industry, which is one of the fastest growing industries in India with an annual turnover in excess of US \$ 10 Billion.
