

Nucleus Interiors And Construction

<https://www.indiamart.com/nucleusinteriors-construction/>

We are service provider of interior designing like restaurant interior services, residential interior services, office interior services, etc. These services are rendered to meet the requirements of our clients belonging to different sectors.

About Us

Established in the year 2000, **Nucleus Interiors & Construction** is a partnership firm promoted under the proficient leadership of our owner **Mr. Abhay Firake**. Since our inception, we are engaged in offering various interior designing solutions such as modern interior decoration solutions, office interior designs, residential interior designs, home interior decoration solutions, shopping mall decoration solutions, hotel interior designs, kitchen interior designs and other services to various sectors such as commercial, offices, hospital and residential establishments.

We always aim to provide designing solutions with the incorporation of world-class techniques. This assists us in producing faster and accurate results to meet the varied requirements of our clients. Our intrinsic understanding of the individual requirements of our clients enables us to offer appealing designs to our clients and place us amongst prominent interior designing service providers.

The extensive knowledge, understanding and expertise of our team help us to realize the concepts and therefore, design and execute flawless solutions, to our valued customers. Thus, our relevance in the industry can be ascertained by our ever increasing number of clients.
