Offering engagement organizing services, marriage hall services etc.

About Us

A catering business is a service oriented business. Caterers will provide food, sometimes supplies and service for social events like weddings, anniversary parties and just about any occasion. India's catering industry has maintained the growth rate of 15 to 20 per cent and the Rs. 15,000 crore industry has not seen any negative impact of slowdown. The catering and allied service industry has a never ending need in Indian metro as people of India are strong believer of conducting any occasion traditionally & ritual specific, hence this business is always promising. The number one skill that would be helpful in running a catering business would be the love of food and the passion to cook. It is rightly said that when you are offering a service based business you are selling your dependability instead of a product. "Deliver what you promise" **Introduction**

Backed by an experience of 15 years in the catering industry and operated by professionals with an experience of more than 25 years Gauri Caterers takes a firm step of launching 'Occassion Banquet'. Occassion Banquet will primarily cater to the ever promising business of banqueting and allied services. Equipped to perform an array of services Occassion Banquet well into banquet renting, food catering, decoration and lighting.
