## About Us

Established in the year **2014**, at **Malviya Nagar, (Delhi, India)**, we “**ODC Energy Pvt. Ltd.**” are a Private Limited Company and the leading **manufacturer, trader, wholesaler** and **supplier** of a comprehensive range **LED Tube lights, LED Lamps, LED Downlights**, Street Lights, Flood Lights, Induction Lamps, Tunnel Lights, Explosion Proof Lights, Solar Panels, Solar Lanterns, Solar Power Plants, Rooftop Solar Plants and Solar Street Lights.

We at ODC Energy understand the client's energy requirement and the usage pattern, based on which we provide a highly reliable solution while keeping a check on the economics of the project. We ensure that all the parameters linked to the designing of the solar PV solution are in sync with each other, thereby enhancing the performance of the system simultaneously reducing the payback period of the investment. With our expertise in energy efficiency we also help our clients reduce their energy loads and thus reducing the size of the utility & investment significantly.

Under the supervision of our mentor “**Mr. Bill Lee (International Sales Manager)**”, we have been able to maintain streamline business process.
