Olive Exports Private Limited

<https://www.indiamart.com/oliveled/>

Olive Exports Pvt. Ltd. with brand name “OLIVE LED” is R&D, Design, Engineering, customization and manufacturing of energy saving LED-based lighting and UVA, UVB & UVC solutions and electronic component/products company.

About Us

We, **Olive Exports Private Limited**, are a leading name in **LED Consumer and LED Lighting Products**. Through an integration of empowered technology and teamwork, we have been serving lighting needs of customers and delivering excellence across diverse industries, govt and non-govt. organizations in both Indian as well as overseas markets since 1994. A reputable **Manufacturer and Exporter** based in **Gurgaon, Haryana And Delhi**, we deal in an innovative, qualitative and cost-competitive range of LED Consumer and LED Lighting Products, which caters to needs of any industry where energy-efficient street light and other conventional lights are highly demanded. All our lighting products reflect our strong commitment towards "Quality". In fact, we skillfully combine price and quality to bring forth for customers a quality-proven line of lighting products at market leading rates. We have in place two state-of-the-art factories of 450 sq. mtrs, a vast distribution network, a seasoned team of production, R & D and quality experts, and a prudent pricing policy – reasons why hundreds of customers, including top-tier names like Indian Oil Corporation, NDMC, Indian Railways, ITI Ltd, Bosch, Subros and Honda Sael Car rely on the market credibility and brand value of **Olive Exports Private Limited** today for meeting their lighting needs.
