About Us

The journey of **Om Traders** was started in the year **2008** at **Howrah in West Bengal, India**. Our company has been **manufacturing, supplying and trading** a wide array of **Metal Bush, White Metal Bearing, Non Ferrous Metal Ingots** and many more. Our products are known in the market for their rust proof nature, high reliability, less maintenance requirements, top notch quality, fine finish and many other attributes. We are a sole proprietorship based company that believes in complete customer satisfaction and total quality controlling. Thus, we offer complete customized and quality approved product range to our customers' at most feasible rates. One can avail these products from us in bulk as per their necessities and demands. The production process of these products is done by us by keeping various demands and needs of our customers in mind and by using high grade material. Also, we discuss everything with our respected clientele and follow industrial quality norms throughout the process. Clients are the most important for us and their total satisfaction is our prime objective. We have been attaining the maximum satisfaction of our customer by working as per our client centric policies. We also earned their trust in very short time period due to our transparent business deals. We follow ethics and principles of business while carrying out any business operations. The biggest achievement of our...
