OMG Labs Private Limited

<https://www.indiamart.com/omglabs/>

We are the largest manufacturer and exporter of organic proteins. Our products are used by globally renown sports teams & custom-made for athletes. We create the most efficient and absorbable proteins for fitness, general & medical use.

About Us

Our founder mission is quite simple, to develop proteins and produce them organically. Our products have no Genetically modified organism, no-sweetener, no gluten, no preservative, no unorganized ferment soy, no additives (except soy lecithin (in very small quantities)), no corn-fed/grain-fed protein. Now, it merges its in-house cutting edge protein technology with the organic farming to create kickass and badass proteins are more Soluble, more Protein, purely Organic, only natural flavors, no genetically modified organism. **We produce these 5 products and we in-house formulate all five of them. We don't produce anything which is not short of groundbreaking.**

Our core 5 products include:

- **Whey Alpha (Whey Protein Concentrate 85)**
- **Whey Lite (Whey Protein Concentrate 55)**
- **Soy Alpha (Soy Protein Isolate 90)**
- **Creaplus (Creatine Matrix)**
- **Meal of Champions (The highest selling Meal Replacement and Mass Gainer in the world)**
