

# Om Parkash Goyal & Sons Private Limited

<https://www.indiamart.com/omparkashgoyalandsons/>

We are the country's largest Wholesaler firm racing ahead of our competitors by delivering world class Safety Shoes. Our product offerings the best protection for work environment and widely demanded for its good quality, utmost comfort levels.

## About Us

Roots of **Om Parkash Goyal & Sons Private Limited**, the pioneering Wholesaler entity for Safety Shoes are dated back to **1954**. Founded as the authorized distributor of leading industrial brands, today we have enlarged our commercial footprints in varied terrains and managed to broaden our product portfolio, which includes quality approved range of Acid Resistant Shoes, Electrical Safety Shoes, Industrial Leather Shoes, Industrial Safety Shoes, Protective Footwear, PU Safety Shoes, PVC Safety Shoes, Safety Work Boot and Work Shoes. Ours is the most sought after name in trading business, as we are experts in sourcing quality and our offered shoes are widely demanded due to its beneficial features of authentic quality, comfort fit, water proof, anti skid, unmatched protection, good sweat absorption, and equitable price range.

Our vision to become a one stop destination for safety shoes equips us to foray evolving needs of domestic and commercial users. We source finest quality shoes that are resistant to oil and acid and perform the best in extreme work environment. Besides, we take pride on our rich legacy and deepened market knowledge, which equips us to partner with industry leading brands that pioneer the footwear manufacturing technology. Due to the stern trading and distributing expertise of our team leaders our organization has carved a niche in this domain, and features a nationwide presence as a trade brand on its own offering quality products...
