About Us

The Om Shanti Group was established in 1992 by two friends Mr. Rajesh Wani & Mr. Ashok Agarwal, both civil engineers by profession. Belonging to the service class they had a keen understanding of the needs of people and to fulfil them they ventured into business. Each matching the wavelength of the other they knew each other's strong points which they have encased successfully over the years. A Strong will to achieve something, be somebody beyond the ordinary has made them the proverbial ek-aur-ek=gyarah. Even today one can see their team spirit and experience their togetherness, as they scale new heights, working hard to achieve new goals to conquer the Himalayas.
