Om Shiv Exports

<https://www.indiamart.com/omshivexports/>

Om Shiv Exports is counted among the distinguished importer and exporter of pure and fresh quality Cereals, Pulses, Spices and Edible Oil. Along with this, we are also involved in offering technically advanced range of Electronic Gadgets.

About Us

Established in the year 2007, we, “**Om Shiv Exports**”, are a reputed organization, involved in importing and exporting Cereals, Pulses, Spices and Edible Oil. The food products we offer are cultivated under hygienic conditions and known for their unadulterated nature and safe usage. Further, the range of Electronic Gadgets offered by us is highly appreciated by the clients across the region for their attributes like performance, sturdy construction, durability and reliability.

We have also developed a sound and spacious warehousing facility, which aids us in the safe and orderly storage of our products. Divided into different sections for having efficient working, this facility is armed with advanced temperature control system and various other machines & tools that are required for safe storage of goods & hassle-free working. All our machines are regularly upgraded and calibrated so as to maintain trouble-free working at our premises. To look after the streamlined execution of all the trade proceedings, we have hired a team of diligent experts. In order to attain the organizational targets in a commendable way, all our experts work in close proximity with each other. Moreover, we are a client-centric firm that strive hard to maximize the satisfaction level of the honorable patrons. To simplify the process of monetary transactions, we accept payments from varied easy modes of clients' convenience. Owing to the support of deft experts,...
