Orange Mattresses Company is one of the leading mattresses manufacturer's, especially in southern region of India.

About Us

Orange Mattresses Company is one of the leading mattresses manufacturer's, especially in southern region of India. Established in the year 2003, by three prominent business personalities as a result of innovative spirit together with a foresight to be a leader in mattresses manufacture. The registered office is located in Kasargode and the administration office in melechovva kannur. The product from Orange Mattress Company is branded as "Sleepex mattress" which is one of the largest selling mattresses in southern region of India. Established as a manufacturer of rubberized coir mattresses the orange group expanded to allied products such as pillows, cushions, bare blocks, and made-ups. The quality is implemented through an effective quality management system. Every step in the process of manufacturing the mattress quality is been checked and is improved every time. Up gradation of the process of quality is done every time according to the market trends. Orange Mattresses aims to achieve and sustain customer confidence by manufacturing and supplying quality products that satisfy customer needs and expectations.

The plant employs 110 employees including skilled, semi skilled & unskilled workers and is also credited with ISO 9001. Orange Mattresses Company, under the dynamic and farsighted leadership of the directors, and a dedicated team of employees were able to create a niche in the national market. The Orange group is also having interest in garment industry,...
