About Us

Orayan Logistics Private Limited was established in the year 2007. Orayan is much more than getting the freight from Origin to Destination. Our key areas consist Sea Freight Forwarding, Air Freight Forwarding, LCL consolidation, Custom Clearance, Inland Transportation, Warehousing & Distribution, Break & Bulk cargo management.

Our close relations with Shipping Lines and Air Lines enable us to provide the best cost cutting freight solutions and on the other hand our vast experience enable us to provide customer satisfaction with great efficiency. The entire team consists of people who are from Liner background as well as from Freight Forwarding background so on one hand we have edge while negotiations and on the other hand. We can also understand the needs of shipper and consignee. This blend gives us the uniqueness and ability to perform in tight schedules with cost effective measures to clients while in being in stiff competition.

Information Management and Time Management has been our hallmark and customers are updated at every stage regarding their precious cargo. We understand what a miscommunication or delayed communication could do to your business and so our customer service desk provides regular transit updates and status pro-actively. In addition to same Orayan Logistics Pvt. Ltd., registered as MTO (Multi Modal Transport Operator) with Ministry of Shipping, India and Member of WCA Family of Logistics Network and member of...
