## About Us

Orea Is Manufacturer and Exporter of Active pharmaceutical ingredients (APIs), Intermediates and speciality Chemicals since 19/9. Our manufacturing unit is located at country's well Known Industrial hub of MIDC, Dombivli which is just 25 km away from the commercial capital "Mumbai", INDIA.

Being R D driven manufacturing entity our highly skilled techno-commercial team is continuously striving in enhancing the quality cost reduction to remain abreast with the competitive and quality conscious global Pharmaceutical market.

We have moderately large manufacturing facility, scale up facility with analytical support to provide excellent opportunities for Custom Synthesis and Contract Manufacturing of new molecules their Intermediates as per customer requirements under confidentiality agreement.

OREX also acts as "Sourcing Specialist" and "Product Development Organizers" for our foreign based multi national clients. We are actively working with our partners in India to fulfill sourcing needs of Active Pharmaceutical Ingredients and Intermediates. We are supporting our suppliers to comply the regulatory requirements such as DMF, CTD, COS, cGMP and related documents as required by customers. We have registered some API's with Health Departments of many countries.

We Are Marching Towards New Avenues In International Market By Regularly Exporting In Various Countries Across The Globe.

- **Asia:** Bangladesh, Hong Kong, Cyprus, Indonesia,...
