About Us

Being one of leading tannery based Export Houses in Kolkata, Orion Exports, offers a wide range of leather items in assorted styles and designs. The establishment of our leather tannery dates way back to 1988, though the company has started exporting its leather items since 1994. Since then it has established itself as one of the leading exporters of leather items and leather made products. With a team of professional experts in their respective fields working with full dedication, the company envisages to reach the pinnacle of success..... where we will set standards for ourselves! We have stringent quality control measures thereby ensuring the high standards of our products. To support our endeavors we have an excellent infrastructural facility, having a factory space of over 10,000 sq ft., engaged into 100% in-house production. Our manufacturing unit is well equipped with advanced machineries, skilled & semi skilled labours and support staff. Our designers are totally involved into new creations to cater to your requirements.
