

Orissa Hand Looms

<https://www.indiamart.com/orissa-handlooms/>

We are one of the leading suppliers of handloom products. These products are popular among our clients because of their excellent quality, appealing designs and mesmerizing patterns.

About Us

We, '**Orissa Handloom**' are a one of the leading suppliers of a high quality assortment of handloom products. The varieties of products we offer to our clients are procured from reliable vendors. These handloom products are widely used in various hotels, restaurants, food joints, offices and for other domestic purposes. We have been able to meet the changing market demands with the help of our credible vendors. These handloom products are fabricated using high quality cotton and various blended fabrics. We have a spacious warehousing unit to store these packaged products. For the convenience of our clients, these handlooms are easily available and can be availed at leading market prices. It is under the valuable guidance of '**Mr. Naresh Rath**', that we have been able to carve a niche for ourselves in this competitive domain. His vast experience of the industry and leadership skills has enabled us to create a large client base.
