## About Us

We, at OSR Builders have achieved distinction as Builders & Developers of Flats & Apartment in Chennai. We undertake development with the sole objective of providing the best housing solutions in the city for every budget and have various upcoming projects in the city that are receiving bookings in advance from buyers in different locations. Having contacts with expert manpower including experienced engineers, architects, Building consultants, paintings, plan approval, Independent villas labor and management personnel, we are able to complete projects keeping in mind latest trends. As a renowned name for Real Estate construction in Chennai, we construct state-of-the-art structures that not only come with the promise of durability but have high aesthetic appeal as well. For Residential Property Construction Services, we focus on providing accommodation with first-class amenities such as proper power and water facilities, proximity to shopping areas, security features and so on.
