Take care of your customers and employees, profits will take care of themselves is the mantra for our success as manufacturer and supplier of tractor parts, motor parts and JCB parts.

About Us

Oster Auto Industries, a Sole Proprietorship firm, incepted in the year 1991 is known as one of the leading organization engaged in manufacturing and supplying superior quality Motor parts, Tractor parts and JCB Parts. These products are processed industrially using high grade raw materials to ensure durability and high tensile strength. While engineering our range, we make an honest approach that is laden with sincerity. More than a decade of experience in this domain has helped us in grooming and nourishing ourselves as one of the most reliable spare part manufacturer. Our aim for the business and client satisfaction is "take care of your customers and employees, profits will take care of themselves". Working with this motto we follow the industrial principles carefully to match up with clients' specifications and requirements. Backed by a team of experienced and trained professionals, we are able to deliver solutions understanding requirements of clients. Our team of professionals consists of engineers, technicians, quality controllers, sales and marketing personnel, who work in close coordination to achieve highest level of customer satisfaction. Expanding our presence in markets of Indian Subcontinent, South East Asia, Middle East and East Asia, we have gained a large client base. This has been made possible from the support that we are provided by our employees....
