Oxide And Pigment Corporation

<https://www.indiamart.com/oxide-pigment-corporation/>

We have established ourselves as a prominent manufacturer, exporter, wholesaler, trader and supplier of a wide spectrum of Iron Oxide & Chemicals Compound.

About Us

We, **Oxide & Pigment Corporation**, came into existence in the year of **1994** are a prominent manufacturer, exporter, wholesaler, trader and supplier of a wide array of Iron Oxide & Chemicals Compound. Under this commendable collection of products we are offering best grade Iron Oxide Red, Yellow Iron Oxide and Green Chrome Oxide. These products are compounded by taking supreme quality ingredients as per the global standards. We are also offered these products in many packaging options to suit the latest demands of our clients in effective way. Our provided products are preferred by the clients for their perfect formulation, accurate composition and longer shelf life. Patrons can be availing these products from us at reasonable price within the assured time frame.

Since our starting we are backed by a latest infrastructure facility equipped with the top notch tools and machines required for the manufacturing of the offered products. For the reliable and smooth execution of our business operations, we have separated our facility into various units. Each unit is managed by well qualified and talented professionals. We have chosen our professionals on the basis of their experiences and field knowledge. To achieve the set organizational objectives, our team members are working with full dedication. We have been able to dispatch the offered products within the limited frame of time. We trade our products under the brand name of Turbocol and Eurocol.
