<https://www.indiamart.com/pacificahotels/>

Our hotel is counted among world class hotels hence, carving a niche in the industry. The quality of our hotel services along with the facilities provided to our clients is as per the international standards.

About Us

Pacifica Hotels (banglore Project) Pvt. Ltd. incepted in the year 1992, and is located in Ramdevanagar, Ahmedabad – Gujarat. Our hotel is engaged in accommodating corporate staff, families, individuals, foreign tourists and others. The services offered by us in our hotel are in accordance to the international norms and the preferences of our guests. The rooms of our hotel are fitted with modern amenities and pamper every requirement of our clients. Further, our state-of-art infrastructural facilities and innovative measures adopted during the involved activities assist us in delivering optimum client satisfaction, thus meeting the expected quality standards of the industry. Under the acumen and astuteness of our founder Mr. Rakesh Motilalsrani, we have marked our presence in the industry. With over a decade in the industry we fully comprehend the requirements of changing times and offer solutions accordingly. Thus, we not only have loyal clients but the word about the quality of our hotel and services are spread in the industry and we have ever increasing number of clientele.
