

Pack Print Industries India Pvt. Ltd.

<https://www.indiamart.com/pack-print-industries/>

We, an ISO 9001:2000 certified company, manufacturer and exporter of printed & plain bags and films. The collection designed with captivating pictures is appreciated for water proof, tear resistance, weather-proof & good elasticity.

About Us

Established in the year 1997, we, Pack Print Industries are one of the renowned manufacturers and exporters of premium quality printed & plain bags and films like black garbage bags, small to zambo bags, corporate banners, white garbage bags and many more. For many years, we are also serving danglers and banners available in diverse plastic material. These are globally acknowledged for soft, easy to carry, weather-proof and tear resistance.

We have carved out a niche for ourselves in the industry under the supervision of the owner Mr. Bimal Shah. He has significant and vast experience in the packaging industry. Further, there are supportive hands of highly qualified and professional team for offering international quality assortment.

Our finest quality packing bags are highly in demand among various reputed clients including Britannia Industries Limited, Colgate Palmolive (India) Limited and Hawkins Cookers Limited. It is also frequently served to Cipla Limited, Hindustan Lever Limited, Raymond Limited, BASF India Limited and many other renowned clients.
