<https://www.indiamart.com/padmajaaerobiologicals/>

We are the leading organization engaged in providing microbiological testing services, microbiological monitoring services etc. Also dealer of drugs, industrial chemicals etc.

About Us

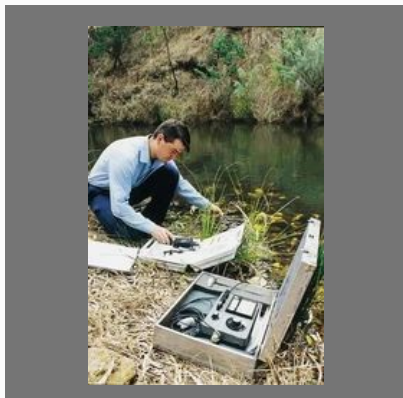

Established in the year 1983, at Navi Mumbai, Maharashtra, India, we “**Padmaja Aerobiologicals (P) Ltd. (PAPL)**,” are a leading company offering premier **Public Testing Analytical/Referee Laboratory**. The areas covered by us include **Environmental Monitoring, Work place Monitoring, Drugs and Intermediates, Microbiological, Industrial Chemicals and others**. Other than this, our expertise also lies in providing **Consultancy Services** in the field of **Environmental Impact Assessment (EIA) to different types of projects**. A Private Limited Company, our business operations are led by experienced management that allow us to successfully understand as well as meet the specific demands of our customers. Further, the rich experience of our team also allows us to ensure high accuracy in the delivered results. Today, we have emerged as a well known name **providing state-of-the-art analytical services to industries based in Maharashtra, Goa and other neighboring states**. Further, our modern Laboratory **facility is well equipped with Modern Analytical Equipment and Conventional Analytical Facilities** that allow us to achieve the desired end results.
