Padmavati Bright Bar Industry

<https://www.indiamart.com/padmavati-bright-bars/>

We are an eminent manufacturer, supplier and trader of a wide range of Bright Bars. The products are known for their features like corrosion resistance, durability and reliability.

About Us

Established in the year 2003, we, “**Padmavati Bright Bars**”, is engaged in manufacturing and supplying a quality range of Bright Bars. The entire product line is well-acclaimed in the market for its certain features such as reliability, precision engineering and durability. We hold an experience of over 8 years in the steel industry and procure finest grade raw material from reputed vendors.

The products line offered by us is manufactured as per the specifications given by our valuable clients. Furthermore, the procured raw material and the finished products are checked at our end for conformation with the industry quality standards and guidelines. We have also developed a commodious warehousing and packaging unit so as to store our high quality products in large quantity. Moreover, our team is determined to deliver the range of products at the clients' site within the promised time frame. Owing to all these aspects, we have garnered a huge client base, spread across the domestic market.

Led under the able guidance of our mentor, 'Mr. Nimesh Mahendra Shah', having 18 years of experience in this industry, we have gained a position of repute in this industry. We have acquired the faith and trust of our customers due to his ethical policies, fair and transparent dealings.
