We are recognized as a successful **Manufacture** and **Trader** of **RO Purifier, Domestic RO System, and Dispenser Jar.**

About Us

Established in the year **2006**, "**Palak Enterprises**" is one of the prominent **Manufacturers** and **Traders** of a wide range of **RO Purifier, Domestic RO System, and Dispenser Jar**. We are well known in the market for the efficiency, longer functional life, highly durable and impeccable designs of our product range. Owing to the above mentioned features, our offered products are demanded in the homes, offices and commercial places. We have developed a sound warehouse facility at our premises, which enables us to carry out our business related tasks in a prominent manner. To store our products systematically, we have segregated our warehouse into different segments. Moreover, our cordial relationship with vendors enables us to meet the exact demands of customers dexterously. Our vendors are selected on the basis of their past records, quality of products, infrastructure facility and market reputation. Owing to our ethical business practices and transparent procedures, we have mustered huge client-base across the nationwide market for ourselves. We also provide repairing and maintenance service of our products.

Under the able patronage of our mentor, "**Mr. Dharmendra Singh Rathore**", we have achieved tremendous growth in the industry. His managerial skills and business knowledge have enabled us in staying ahead of our competitors in the domain.
