Pal Baba Packaging

<https://www.indiamart.com/palbabapackaging/>

We are one of the leading manufacturers of a wide assortment of industrial packaging machines that is catered to provide complete packaging solution including meeting the weighing, filling and sealing process demands.

About Us

Established in the year **1995**, **Pal Baba Packaging** has been engaged in the manufacturing of a wide range of packaging machines. These include automatic form fill seal machine, collar type form fill seal machine, candy packaging machine, powder dozing machine and many others.

Under the able and efficient guidance of our mentor and founder **Mr. Kanhiya Singh**, we have carved a niche in the segment of packaging solutions providers. His more than **20 years** of extensive process experience in this industry as well as services of experienced industry professionals assist us in meeting the involved fabrication demands as per international quality and safety norms.

Relying on our modern infrastructure capabilities, we have been able to fabricate our assortment catering to bulk demands as well. Our well finished, durable and optimum functionality based machines are widely in demand by several clients across the country. We also provide customized solutions as per clients' specific requirements.
