

Panel Power Movers

<https://www.indiamart.com/panelspowermovers/>

We are authorized dealer of Marathon Electric Motor (I) Ltd (A former ALSTOM Business) for heavy duty fans & motors used for various purposes like Industrial Ventilation, Large Kitchen Ventilation, Transformer Cooling, & others.

About Us

We- Panels Power Movers, specialize in supplying heavy duty industrial fans and motors like exhaust fans, centrifugal fan, axial fan, axial flow fan for an extensive range of applications, including heating and ventilation, air pollution control, petro-chemical, offshore and process engineering.

Incepted in the year **1985**, We have a huge experience of more than two decades in supplying the wide range of industrial fans and motors. We are supplying our quality product range from a well known manufacturer named **Marathon Electric** who are **certified by BVQI for ISO9001** quality management system. We are successfully catering to many clients in Delhi and in NCR region from last 13 years.

Guided by our mentor **Mr. Kapil Garg**, we are continuously reaching new horizons of success everyday. Over the years we have developed an enviable reputation for quality and reliability. This is due to our Prompt service and quality practice of our principles wherein all products are tested before dispatch from the works in order to ensure that the customer receives the right quality.
