Paras Export

<https://www.indiamart.com/parasexport/>

We are a known manufacturer & exporter of fuel injection equipment & engine parts made from high quality steel. Our precision turned components are engineered in diverse industries.

About Us

Since its inception, Paras Export has carved a niche for itself as a leading manufacturer and exporter of fuel injection equipment and spare parts extensively used in automobiles and other industries. The comprehensive range of our products include Element, Nozzle, Delivery Valve, Cross-valve, Hand Primer, Nozzle Holder, Fuel Pumps, Feed Pumps, Nozzle Tester, U D Cross, Connecting Rod and Tire Ends. These products are made from high quality steel and are tested for requisite quality before procuring. Regular testing ensures that the quality of the finished products remains consistent in every batch manufactured. We have a fully equipped designing and manufacturing unit that is fitted with latest technical facilities. We have an equipped production unit Which has also resulted, over the time, in increased productivity.
