<https://www.indiamart.com/parikh-company/>

We are an outstanding trader and supplier engaged in offering optimum quality hand tools to our patrons. These products are appreciated for their dimensional accuracy, longer life. Minimum total order amount should be 10,000/- rs.

About Us

Established in the year **1954**, we, “**Parikh & Company**”, are one of the most renowned traders and suppliers engaged in offering a qualitative range of **Hand Tools**. We source these products from the certified vendors like **Penta, Tapania, Venus** and **Eastman**. Our vendors utilize high grade raw material, latest machinery and production methods for making a flawless range tools. These tools are highly demanded among the customers for their dimensional accuracy, corrosion resistance, longer service life, robust construction and high performance. We are supported with a team of diligent and experienced professionals, which is fully responsible for the entire business management. Our procuring agents source the products from the renowned manufacturers after conducting in-depth market researches. The quality controllers are responsible for testing the procured products for ensuring the flawlessness. Further, warehousing & packaging experts are fully responsible for storing and packaging of our products for their safety. Our logistic professionals make us sure that the consignments are dispatched to the clients within a predetermined time frame. We have attained tremendous growth in this domain under the leadership of our mentor, '**Mr Mukesh**', who holds sound knowledge and immense industry experience. His knowledge and leadership skills have assisted us in standing ahead of our competitors.
