As a leading manufacturer, trader and supplier of the industry, we are offering a wide assortment of Wire and Strips. These products are highly demanded among the clients for their accurate dimension and high durability.

About Us

Incepted in the year **2003**, we, **Parshwanath Alloys & Conductors**, are actively engaged in **manufacturing, trading and supplying** a broad array of high quality Wire and Strips. In our product range we are offering **Bare Aluminum Wires, Bare Aluminum Strips and Aluminum Wire Rod**. These offered assortments are made by taking high grade components as per the well-defined industry norms. Our offered ranges of products are broadly demanded among the clients for their unique attributes like high performance and supreme quality. Also, we are offering these assortments as per the client specific requirements at nominal market price range. Additionally, these are used in various industries. We are backed with the state-of-the-art infrastructural setup for manufacturing our offered range of products. Moreover, we are backed by a team of hard-working professionals, who always put their effort towards the favour of our organization. Our team of quality experts ensures that every product is manufactured from superior quality raw material to as per the industry quality standards. Under the valuable leadership of our mentor, **Mr. Shashank Jain**, we have been able to fulfill the increasing and ever-changing requirements of our clients in a most resourceful manner. His deep knowledge helped us to be a leading organization of the industry.
