Patiraji Industries

<https://www.indiamart.com/patiraji/>

We are a prominent **Manufacturer, Supplier, Trader** and **Exporter** of Metal Eyelets, Belt Rings and Brass Buttons. These are useful in a variety of items like bags, belts and shoes.

About Us

Established in the year 1985, we, "Patiraji Industries", are a sole proprietorship firm involved in the manufacture, supply, trade and export of a wide gamut of Buckles, Eyelets & Fittings. These have served as accessories for a wide variety of products like belts, shoes and bags. Our products are manufactured using premium quality raw material such as brass and aluminum. We have sourced these raw material from highly reliable vendors with whom we have nurtured good relations for years.

Our products have been appreciated in the domestic and international market around the Indian Subcontinent for their excellent design, uniform finish and sturdy make. Moreover, these items are inspected by quality auditors before being dispatched. Our large production capacity and product line has facilitated us in garnering a large and varying client base. The clients have been highly content with our items and have come back to do more business with us.

With the optimistic vision and foresightedness of our esteemed founder, "Late Mukhtar Ahmed", our organization has been able to grow and flourish into a highly reputed brand. At present, our mentor is "Mr. Rambrij Gautam" whose initiative and hard work is taking the organization to new heights of success. He is a source of inspiration to the whole company.
