Pavan Purifier

<https://www.indiamart.com/pavan-purifier/>

A professionally managed organization, we are involved in supplying a wide range of Water Treatment & Purification Equipment, Purifying System and Electric Appliances. These are developed by reputed like Philips, Bajaj, Whirlpool and Usha.

About Us

Founded in the year 2000, at Ahmedabad, (Gujarat, India), we, “**Pavan Purifier**,” are a leading organization involved in trading and supplying of a wide selection of **Water Purifying Systems** and **Electrical Appliances**. We have in store technically advance **Water Filters, Water Purifiers, Mineral RO Systems, Gas Geysers, Water Heaters, Tape Filters** and many other products, which are developed by companies like **Bajaj, Whirlpool** and **Usha**, whose names are synonymous with flawless quality and reliability. We are well supported by well trained and qualified professionals, who hold extensive expertise in their respective discipline. These personnel are well versed with the current industry requirement and different vendors involved in the development of these products. Further, they work with great zeal and enthusiasm to achieve the goals of the organization. We have earned tremendous success under the dynamic leadership of our mentor **Mr. Arun Bhavsar**, who hold versatile knowledge of the domain. He is further assisted by **Mr. Paresh Mistry**, who is well informed about the emerging market requirement. Under the guidance of this awesome duo, our reputation in the market has received a tremendous boost over past few years.
