We are one of the leading trader and supplier of a premium quality array of buckles and fittings. These products are highly appreciated for being dimensionally accurate, wear and tear resistant and cost-effective.

## About Us

Established in the **year 2000**, we, "**Pearl International**", are engaged in trading and supplying different types of **Buckles and Fittings**. Manufactured at the vendors' end using quality-assured raw material, these products are in compliance with international norms and are appreciated for their durability, superlative surface finish, dimensional stability and accurate designs. Our buckles and fittings are widely utilised in the bag and footwear manufacturing industry, among others. In order to ensure quality products to our customers, we procure our buckles from the most revered vendors of the market. We rely on our procurement agents who source only the best products for clients. Good meant for dispatch are tested on several pre-set quality parameters, in order to rule out every possibility of defects. These quality tests are conducted in a highly sophisticated quality testing unit, which is outfitted with all the latest machines. We have a team of logistics experts who make sure that the fittings & buckles offered by us are delivered at clients' end on time. Furthermore, customised packaging service is also provided on our products. Our firm has experienced immense growth owing to the relentless efforts of our mentor, '**Mr. Farid Shaik**'. Following professional work ethics in every endeavour, he has always been the motivational force and guided us throughout.
