

Pearl Marketing

<https://www.indiamart.com/pearl-marketing/>

We are the prominent supplier, wholesaler & trader of a wide range of kitchenware products. Our product range includes Dining Crockery Set, Serving Tray, Coffee Mug, Tea Set, Milk Mug and many more.

About Us

Pearl Marketing was established in the year **2008** in the industry as a **Sole Proprietor** based venture with our operational units situated at **Bengaluru, Karnataka, (India)**. We have our domain expertise in the **Supplying and Trading** of various types of kitchenware. Our Product range includes **Dining Crockery Set, Serving Tray, Coffee Mug, Tea Set, Milk Mug** and **many more** products. We ensure durability and reliability of our quality products as they are manufactured using good quality material sourced from authentic vendors of the market. We practice advanced techniques to develop our products and give them flawless finishing which make them durable, commendable and compatible. This business extended beyond the limits in the recent years. Today we stand best in the business because our products are really negotiable and hold the customer confidence. Headed by **Mr. Megharam**, our company is continuously touching the heights of victory in the industrial abode. Being progressive in approach, our mentor makes effective decision for the well being and growth of the organization. He regularly updates the ongoing market trends and helps us to offer the same to our clients. His supervision means a lot for our employees and increases the satisfaction level of our clients and endorses our brands in the different regions of the country. Team members in our company are qualified and talented in their respective area of...
