

Perceptron Non Contact Metrology Solutions Private Limited

<https://www.indiamart.com/perceptron/>

We are the leader in manufacturing non-contact measurement and inspection solutions for process management. Our systems and software technologies are integrated with a number of movers.

About Us

Established in 2009, we are the leader in manufacturing non-contact measurement and inspection solutions for process management. Our systems and software technologies are integrated with a number of movers including CMMs, articulated arms, robots and fixed mounts to offer ultimate installation flexibility. Our services includes reverse engineering services, 3d laser scanning services, automated dimensional inspection system, inspection services, engineering consulting, industrial sensor, inspection systems, laser inspection system and many more.

We deliver solutions that are reliable, durable and maintainable so our customers can:

- Reduce process and product variation
- Improve overall product quality
- Lower manufacturing cost
- Increase production output

With dedicated support staff and regional offices in 15 countries, we can offer global solutions that are supported locally.

- India
- Japan
- Singapore
- China
- Korea
- Germany
- France
- United Kingdom
- Spain
- Slovakia
- Italy
- United States
- Canada
- Mexico
