<https://www.indiamart.com/perfectmedical/>

We are a distinctive manufacturer, supplier and exporter of high-quality Medical Products that are used in labs and hospitals. Our product range has gained huge appreciation by our clients for its high performance, reliability, and durability.

## About Us

Established in the year **2007**, we, **Perfect Medical Products**, have established ourselves as a distinguished manufacturer, supplier and exporter of Medical Products for hospitals and laboratories. Our product range is well-known for its excellent performance, durability and long service life. We specially design and manufacture our range using high-quality raw material that conforms to medical industry standards. We offer **medical products like Gas Outlets, Flow Meters, Regulators, Ward Vacuum Units, Gas Manifold with Control Panel, Line Pressure Alarm, Adapters, Humidifier Bottles, Laryngoscope, Rotameters, Circle Absorber and Anaesthesia Equipments, Single & Twin Pipe Line Adapters, F.A. Valve-Jacketed Flow Meter & Humidifier Bottle, Metal BPC Flow Meters with Humidifier Bottle, Black Lid & Steel Handle Ward Vacuum Unit, and Humidifier Bottles.**

We are backed by a world-class manufacturing facility that consists of sophisticated and latest machinery & equipment. This unit helps us to manufacture an excellent product range with high-end technologies to ensure the high functioning capability. Our team of professionals is an asset of our organization, which is providing us capability to set new milestones in this field. Under the able guidance of our mentor, **Mr. S. K. Selim Chowdhury**, we have gained a different recognition in the global market. His sound experience and thorough understanding of this...
