Metro now Mild Steel and stainless steel has made its presence count in the industry by serving its client in the best possible manner. We are a steel manufacturer based in Bhiwadi, Rajasthan and have been offering quality TMT bars under our own ...

## About Us

Incepted in the year 2005, we Petro Pol India Ltd Company, are engaged in offering our clients wide range of TMT bars and saria in compliance with the international standards.

Right from our inception till now, we have made steady progress in successfully developing and marketing various TMT bars and sarias. In order to ensure prompt business process, we have requisite facilities in terms of infrastructure and human resources. Moreover, our well-managed logistics, transportation systems along with proper storehouse enables us to deliver our range within a stipulated period. Further, these products can be customized as per the exact requirements of our valued clients.

In addition to this, under the supervision of our mentor Mr. Atul Singla, who holds an extensive industrial experience in this profession, we have been able to retain our position in this competitive market.

### Mission

We work with a customer-focused approach and are committed to attain 100% customer satisfaction. Thus, we are working hard to supply our metro brand all over the country by making alliances. This will further assist us in expanding our business from single production to multiple base brands. Besides this, we are planning to enhance the existing range of TMT saria to the production of angles, channels, SS pipes and cement.
