## About Us

Healthcare industry is one of the core sectors of the country. We at PharmaSynth are committed to provide quality healthcare products. Since 1984, PharmaSynth Formulations Limited has emerged as one of the leading Pharmaceutical Company of India with strong manufacturing base in Delhi and Haridwar. Over a period of two and half decades, PharmaSynth has earned a prime place amongst the manufacturers, trade and medical profession. Company has a GMP certified & ISO certified, state-of-the-art manufacturing unit in holy city of Haridwar to produce quality products, aiming to serve the ailing humanity with a religious and patriotic personal touch to everyone, as we believe in God, as well as in our sovereignty. The unit has latest and sophisticated machines to produce world class and contamination free products. All the inputs (raw materials, packaging materials, consumable etc.) has to pass through astringent quality tests, and only high quality raw materials are used to produce our formulations. To keep pace with growing technological advancements, all our technical staff is exposed to a regular periodical and on line in-house training, so that they may use the validated methods and procedures perfectly, to produce zero-defect and cost effective final products. PharmaSynth has achieved several mile stones. Our unit is not only GMP and ISO-9001 certified but also received several National and International Awards for quality, productivity and fair...
