

Pioneer Industrial Instruments

<https://www.indiamart.com/pioneer-industrial-instruments/>

We are widely acknowledged as an ISO 9001:2008 certified manufacturer, exporter and supplier of pressure & temperature gauges and thermometers. These are reliable, easy to operate and offer accurate measurement.

About Us

Incorporated in the year **1994**, we “**Pioneer Industrial Instruments**” are a sole proprietorship firm engaged in manufacturing, exporting and supplying premium collection of pressure & temperature gauges and thermometers. All these are provided in customized specifications and in compliance with the ISO standards and norms. Our state-of-the-art facilities enable in manufacturing the range as per the application requirements of various industries. The installed facilities and machines are regularly upgraded in order to keep them highly productive. Our professionals are also trained through workshops in order to inculcate the varied demands of market in them. They work industriously and meticulously so as to meet the common organizational objective of optimum client satisfaction. The proficient guidance of our mentor “**Mr. Deepak Wani**” has allowed us in building a vast client base across the globe. This is further apparent from the fact that we have catered to markets across Asian, African, European and American countries.
