We are the pioneer organization engaged in the **manufacturing, supplying and trading** of products such as **Eye Protection Goggle, Protection Gloves, Safety Equipment, Face Shield and many more.**

## About Us

Our company “**Pioneer Tools and Hardware**” started its business activities in the year **1972** to offer a huge assortment of high quality products to its valued customers. We are engaged in operating our entire business activities as a **Partnership** based venture. As a leading **manufacturer, supplier and trader**, our company is engaged in the business of products such as **Eye Protection Goggle, Protection Gloves, Safety Equipment, Face Shield and many more**. As a leading organization of industrial safety equipment, clothing for various applications and disposable hygienic/clean hydrant accessories, we believe the right tool for a job gives more productivity. Likewise a right clothing makes the worker feel comfortable thereby enhancing his working efficiency. With our flexible payment gateways, prompt deliveries, sheer marketing practices and customer driven approach, we have acquired a position of prominent market leader. **Mustufa M. Lohani** is the **CEO** of our company and is carefully taking care of all major affairs of the organization with his profound insight. He administratively vigils all business affairs right from production, quality-control, lead generation and to the final dispatch of the range. It is his guidance, under which our organization is germinating each day. He regularly conducts apprenticeship programs and training sessions to our employees to keep their productivity in the ever boosting mode. ...
