About Us

Pixelmania Photography is the ideal and affordable solution for your digital product photography. We cater to all sorts of creative needs and promise eye-catching results. We have been in this business for over twelve years and are growing with success and experience each year.

Centrally located in India 's financial capital-Mumbai, we have provided our services to several top notch brands and we still continue to and are more than willing to work for you as well.

We produce high quality product photography shots for print and the web with fast turnaround, competitive prices and the ability to photograph large amounts of items per shooting day, right in the convenience of your showroom with our portable digital studio. We are work committed and assure you that you will be happy and satisfied with our work.

We also excel in value added services like catalog design and printing, ad design, all web based designs and website development.

Thank you for visiting our website. Take a look around and check out our sample work. We are looking forward for your response. If you have any questions at all, please don't hesitate to contact us. You can also give in your feedbacks. We would love to hear from you.
