We are one of the eminent importers, exporter and processors engaged in providing different types of Gums. These are widely appreciated across the country for being safe, pure, odor free and high adhesion quality

About Us

Established in the year **2001**, we, “**P. J. Enterprises**”, are one of the leading importers and processors of different types of **Gums**. Procured from reputed vendors, these Gums are offered to the customers at cost effective rates. Our products are extremely appreciated in the market for being pure, safe and free from any kind of impurities. These Gums are processed by vendors without the use of harmful chemicals. Our Gums are tested on the basis of viscosity, purity, safety and odor. We also pack these products hygienically before supplying in the market. Better packaging keeps the quality of these Gums intact. Within a short phase of time, we have established our credibility in the market, owing to the superior quality of products. We are now associated with clients from different sectors such as pharma, food, flavour industries, mining and textiles. We are supported by our mentor, “**Mr. Jagdessh H Sharma**”, who is also the **CEO** of this organization. He has motivated us to carry out our business practices on ethical grounds as per the regulations of the government.
