TVL. Plattinem

<https://www.indiamart.com/plattinem/>

We are a famous manufacturer of the quality approved assortment of Servo Air Dryer and Power UPS. These products are admired for their long service life and perfect performance.

About Us

We, Plattinem started in the years **2005**, are one of the foremost manufacturers an extensive array of Air Dryer and Power UPS Our offered range consists of best grade Air Compressor, Automatic Voltage Stabilizer and Isolation Transformer. These offered products are designed using top grade input factors. Our products are highly demanded in the market for their unique features like fine functionality, low running cost, excellent regulation, optimum performance, smooth and linear output, environment-friendly, overload capacity and long life.

We always tried our best to maintain a high standard of quality in our entire product line. Ours quality testing unit is fully equipped with advanced technology based devices. Also, a special R&D department has been established in our unit where highly qualified professionals do intensive research on the product development.

Our mentor, **Ms. Anita Bharathi Dhasan**, has guided us to be able to reach such heights. She enabled the organization growing remarkably in this challenging industry and becoming the recognized firm owing to her rich industrial experience, sound business insight, administrative skills, and far seeking approach and leadership qualities.
