# PMT Engineers & Contractors

<https://www.indiamart.com/pmtengineersandcontractors/>

Established in 1986, PMT Engineers & Contractors  
Mumbai, India is manufacturer of Magnetic Separators: Magnet  
Plate, Hopper Magnet, Rod Magnet, Drum Magnet, Magnetic  
Filter

## About Us

Established in **1986**, **PMT Engineers & Contractors** have been **manufacturing** of **Magnetic Separators** and **Magnetic Equipments** for Iron Separation from various applications/products across industries in the name of **PMTMAGNETS**. With experience of over three decades in manufacturing and designing of magnetic separators, PMT provides effective solution for removal of iron particles from dry, solid, liquid & slurry applications. PMT's Magnetic Separators have been widely used in Food Processing, Flour Mills, Gaur Gum Processing, Plastics, Powder, Cement, Chemicals, Pharmaceuticals, Paper & Pulp, Animal feeds, Ceramics, Glass recycling manufacturing, Mining, Coal handling, Textile Manufacturing, Crushing, Malt processing & Other Extraction Industries in separation of iron/ferrous from the process/material. Our visionary **Mr P.M.Thanvi** has always been personally involved with Customers & his manufacturing/design team to provide with innovative and effective solutions for removal of iron/ferrous particles from product flow. His commitment and his zeal to provide effective & efficient solution left no stone unturned in exceeding customer's expectations. PMT is continuously working for advancement in technology and modernization of PMT Magnetic Separators and fulfill the dream of making "**PMT**" **the name in Iron Separation**.  
"The only thing which is certain in..."

# MAGNETIC SEPARATORS

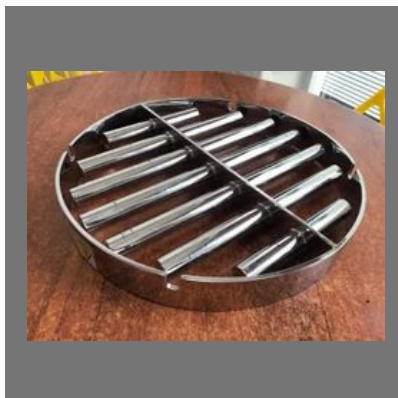

Vertical Liquid Inline Magnetic Separator

Round Hopper Magnet

Overband Magnetic Separator

Rotary Grill Magnetic Separator

## MAGNETIC EQUIPMENTS

Rice Mill Magnet

Lab Magnet

Magnetic Floor Sweeper

Magnetic Handle

# Factsheet

Year of Establishment : 1986

---

Nature of Business : Exporter and Manufacturer

---

Total Number of Employees : 11 to 25 People

---
