About Us

Established in the year 1990, PM Trading Company have industrial experience and offer a wide range of **Textile Spares, Machine Spares and Textile Mills which includes Winding Machine Spares, Schlafhorst Spare Parts, Murata Spares, Machconer Parts, Autoconer Parts, Mechones Machine Parts and Winding Spare Parts**. These spare parts are supplied to our clients based in overseas countries. Our specially fabricated Autoconer and Mechcones machine parts are in line with the industry standards and as per the specifications of our clients. We also provide Electronic PCB and Magnetic Valves Repair Services. We have special expertise in manufacturing spares for "Autoconer", Mechcones winding machines and Magnetic Valves. As a service provider, we have served our clients to their fullest satisfaction. Moreover, we are also specialized in undertaking repairing works of magnet valves. We have also introduced a range of spares for "Savio Autoconer" winding machines. We are headed by our mentors Mr. Natwar Singh Rao and Mr. Divyesh Singh Rao, who have laid the foundation of our success story. Their sharp business acumen and insight has placed us amongst the top-notch manufacturers and service providers in this sphere. Working as a family, we have our modern ways of working, but with a touch of tradition. For us service, quality and performance merge is our vision. Every piece of equipment that is manufactured from our premises or traded by us has absolute perfection in its...
