## About Us

POLAR CARD INTERNATIONAL One of the leading manufacturer of Visiting cards and Pioneer of Multicolor Visiting Cards in India. We stand for Customer Service with a strong fervent policy for stocking materials and satisfying Customer needs. We know our products form only part of the manufacturing process of our Customers so we fully appreciate the needs and demands of our clients to be supplied on the time with a consistent quality that can be relied upon and trusted.

And even more importantly Polar Cards recognizes that this Commitment to quality and Services must be provided at the most competitive prices. If we are not competitive neither is our customer. These ideals are our firm and unwavering commitment to the market place as a major supplier to the Plastic Fabricating, Packing and Printing Industries in India.

Polar Cards represents quality in more ways than one by the name Synthetic. We provide a Comprehensive product range to our customer which is being constantly expanded to suit the changing market place.

Our principal is committed to its product, quality and the ongoing technology required meeting the future needs of present industry.

We welcome the opportunity to fulfill your exact requirements.

It is what Polar Cards does the best.
