About Us

Polymec established itself in the year 2013 as register in Coimbatore, Tamil Nadu, India. In a very short span of time we become one of the best manufacturer and supplier of plastic based products such as Plastic Washer, Plastic Bottle Cap, Plastic Molding, Plastic Hook and many more customized part. Our products are flawlessly finished and durable for use. We offer them at very affordable prices. We also give an excellent packaging solution which makes them safe and also increase satisfaction level of our client, which is one of the important tasks for us. We believe in giving a time prompt delivery of shipment i.e. before deadline because we truly understand the value of time. We practice an ethical approach towards our clients which makes us different from others Polymec is headed by Mr. Arunachallam gives his complete supervision and guidance to the employees. They believes in making a friendly environment within the company through which our company is achieving its goals. They has a sharp business vision, practical approach, and progressive business ideologies, which help our company to reach new milestone. We have a dedicated team of skilled workers and employees who are very well aware about their work profile and have a good technical knowledge. They all work as a team to meet client expectations in terms of quality. Our team is always ready to meet new challenges. They work hard to achieve the desired goals of the company. They share a healthy...
