## About Us

Established in the year **1990**, We, '**Polypack Industries**, have etched a resounding as a leading **Manufacturer and Supplier** of wide range of **Plastic Products** like **Jerry cans, Jerry Cans Square, Carboys Rocket Type, Drum Narrow Mouth, Drum Full Open Top, Drum Wide Mouth, Plastic Bottles, Jars**. Made using Superior Quality Material, Procured from Leading Market Vendors, we ensure that the products we offer are in strict adherence with the industrial norms and standards. These are highly appreciated for their Durability, Long Lasting Functionality, Reliability and Corrosion Resistance. In order to manufacture a quality-assured range for the clients, we have been supported by an advanced manufacturing unit, manned by a group of highly efficient and dedicated employees. These professionals are well aware of innovative techniques to manufacture high quality products. The products are designed and manufactured keeping in mind the latest needs of the clients. Moreover, these products undergo various rigorous tests, conducted by our quality inspectors at every level of product development. Thus, we have managed to gain a widespread client base for our products. Under the able guidance of our mentor, "**Mr. Paresh Joshi**", we have been able to reach great heights of success in this domain. He has always been a source of inspiration for us and due to his support, we have been able to carve a...
